LongCast

If you're looking for a large spinner you can cast all day long without wearing yourself out, you've found it in the Mepps® LongCast. The LongCast's heavy bullet-shaped body takes the effort out of long-distance casting. In addition, the LongCast sinks quickly and stays very close to the bottom throughout the retrieve, making it perfect for fishing heavy current or deep water. Weighing in at 5/8 oz., the #4 LongCast is a full 85% heavier than a #4 Mepps Aglia, and it is 65% heavier than the competition. The #5 LongCast weighs 7/8 oz. It is 75% heavier than a #5 Mepps Aglia, and weighs twice as much as the competition's #5 spinner. In fact, the heavy-weight #5 LongCast is 40% heavier than the competition's #6 spinner.
