

# Aglia® Long

The Mepps® Aglia® Long blade “hugs” the body during the retrieve, allowing it to stay in deep pockets where big fish live. It’s perfect for fishing pools below lake outlets or man-made dams. All Aglia® Longs feature Mepps® Color Technology for maximum visibility and solid brass bodies and blades. Beads are lathe-turned to resist chipping. Available in both treble and single hooks, plain and dressed.

## Actual Blade & Body Sizes

### Aglia® Long Plain Treble
