

LongCast

If you're looking for a large spinner you can cast all day long without wearing yourself out, you've found it in the Mepps® LongCast. The LongCast's heavy bullet-shaped body takes the effort out of long-distance casting. In addition, the LongCast sinks quickly and stays very close to the bottom throughout the retrieve, making it perfect for fishing heavy current or deep water. The #4 LongCast is 85% heavier than a #4 Mepps® Aglia®, and it is 65% heavier than the competition. The #5 LongCast is 75% heavier than a #5 Mepps® Aglia®, and weighs twice as much as the competition's #5 spinner. In fact, the heavy-weight #5 LongCast is 40% heavier than the competition's #6 spinner.
